

D.A.R.E.

Our Family's Safety Contract

We, the _____ family, commit to:

- Keep telling each other about the things we do on the Internet.
- Keep away from Internet strangers. We don't talk to them on- or off-line
- Keep safe our personal information.
- Keep the computer in a common area.
- Keep our passwords safe. We never share them with anyone outside of the family.
- Avoid pop-ups.
- Use filters and other safety software.
- Update our anti-virus software often.
- Scan attachments with anti-virus software before opening.

Other: _____

Other: _____

Signed, _____

Parents: Review the contract. Have each family member sign it. Post the contract near the computer monitor or on the refrigerator door.

Congratulations! You've taken a big step towards keeping your child safe.
